Membership Options

All of the following options entitle the member to a door card for unlimited entry to the club and access to the bar during opening times. Membership runs from 1st September to 31st August each year. **Fees must be paid by 30th September to continue to be included in the Individual and Team Leagues.**

1. Full Individual League Playing Membership - £294.00

This includes the Individual League entry fee, court fees for the winter individual league sessions and entry to the team league. This can be paid either in one lump sum or by 6 equal monthly payments of £51.00. (contact Membership Secretary Jeremy Rothwell for details of Standing Order payment)

The lights will be keyed on for Winter Individual League nights, giving even better value for players involved in lengthy matches. (Please note that if a player misses an **entire** session through injury or leaving the island then he or she will be entitled to a refund of £10.00 per session missed.)

2. Full Team Playing Membership – £226.

This is the minimum membership required to participate in the Team leagues.

With regard the team league, it is the responsibility of the team captain to pay the separate team registration fee of £50.00. Court lights, on team nights, will be operated by tokens, purchased in the normal way.

3. Social Playing Membership - £168.00

This entitles a member to full use of the clubs facilities but **not entry to the team or individual leagues**. There is a small booking fee and court lights are operated by tokens available from the bar. Tokens are also available from the Recreation Ground Kiosk but are more expensive. A pro-rata upgrade to league playing membership is available at any time.

4. Social Membership - £40.00

This entitles you to entry and use of the club bar and facilities but **does not allow court usage**.

5. Junior / Student Membership - £40.00

This is available to juniors under 18 years of age on the 1st of October of the current season or students in full time education and it allows entry into both the individual and/or team leagues.

6. Child - £5.00

This covers the cost of door entry card for those juniors receiving coaching within the club and insurance whilst they are on the premises. This will be mandatory for all receiving regular coaching.

Any club needs the support and co-operation of its members to survive. Your committee will do its best to create an excellent venue and league structure, conducive to good squash at all levels. It is hoped that you will choose the correct membership option, please remember that social players will not be eligible for team or individual leagues!
